Mr. J. C. B. 

The national president with the assistance of Organizer 

and others, has instituted a new division in Honolulu, Hawaii Islands.

Some of the women's societies are likely to hold back on 

the payment of the assessment. The assessment which was due in August 

from then in coming in very slowly.

With best wishes to yourself and the ladies, I am 

Fraternally yours,
Nov. 3rd.

James J. Strong, Esq.,

Ardock, N. T.,

Dear Sir and Brother:

Replying to your valued favor of October 26th relative to the organization of a new division at Fortal I would state that the matter rests with your state officers. If, after making some investigations, you are satisfied that the division could be kept up it would be proper for you to authorize Mr. MacPherson. There is no formal blank for this purpose. I will send you extra ones, and direct for the new division just as soon as it has obtained its charter. I enclose application blank and a short form of obligation which may be used until such time as the division is able to put on the more elaborate degree work. There are no particular instructions necessary further than were given in your own case. There should be about 20 men when the division is organized. Temporary organization should be first effected and then made permanent by the election of officers. Have the names and addresses of the members sent in so that each may be supplied with the monthly paper.

Hoping to learn that this division will be successfully started, I remain

Truly yours,
Mrs. E. C. Finlay,
Chehalis, Wash.

Dear Sister:—

Enclosed herewith you will find my receipt for $2 for charter for division in Galick. I also enclose some key cards and under other cover have sent you some charter blanks. How are you getting along on the national assessment.

With best wishes, I am

Fraternally yours,
P. L. O'Sullivan, Esq.

Harrisburg, Pa.

To Dear Brother O'Sullivan,

Received enclosed you will find my receipt for $113.50 credited on assessment and misc. account. Am very glad to learn that your estate is getting in better condition.

Hoping to save the pleasure of seeing you at St. Louis, if not earlier, I remain

Fraternal love,

Nov, 2nd,
Hugh Gallagher, Maj.,
Yan. 739,
Montgomery, Ala.

Dear Sir and Brother:

Replying to your favor of the 29th regarding organizers, I would state that the matter is in the hands of the national president. If you believe that it would be worth the expense I would suggest that you address the national president on the subject getting the state officers and yourself to request the national president to send an organizer down there. I have had some correspondence regarding New Orleans with the state president of Louisiana. I believe that something should be done in that section and think that some of the trouble down there is due to lack of energy on the part of the officers. The new state secretary, I am informed, has just been suspended. I think it possible for an organizer to go down South, but have no direct voice in the matter. If you could see P. J. O'Connor of Savannah interested you would be likely to succeed.

With best wishes, I am

Mrs. Mary Gauss,

1026 South 33rd St.,

Dear Sister:

Enclosed herewith you will find receipt for $5 credited as fee for Revival service. Regarding the matter of assessments I would state that I understand your position and your suggestion. The difficulty is that I am obliged, in order to have the assessment legal, to levy it according to the vote of the Board and cannot safely depart from the terms of the vote. You will note in the proceedings of the Board that the assessment has to be levied upon a certain report, otherwise your suggestion would be available. When the matter comes up again in the Board for another assessment, if I should be a member of it, I will try to have your suggestion adopted.

Extending best wishes, I am

Paternally yours,
Nov. 2nd,

Dear Brother Bryant,

I have your favor of November 1st covering bill of expense from October 23rd to October 30th. A few days ago I sent out a voucher to you under your check which coupons will reach you within a few days. I note your expectation of going to Vermont and trust you will be successful there. I have had a request from Hugh Gallagher, of Monticello, Alabama, that an organizer be sent down in that section. How would you like to spend the winter in the south. I think that something could be done in New Orleans. They have only three divisions down there, whereas a few years ago they had seven.

With best wishes, I am

Fraternally yours,
Nov. 2nd.

John E. Purcell, Esq.,

Montreal, Quebec.

Gent. Sir and Brothers:

Replying to your favor of October 31st relative to change for division president, or jewel as we term it, I would state that it will cost you $2.75. Application for same should be accompanied by remittance. Regarding the prices of pin of the Order I would state that this office does not deal in high class pins or buttons. I sell a button to be worn on the coat lapel which cost 25 cents. If your president desires a costlier pin it would be necessary to write to one of the manufacturers whose names appear in the official organ. A gold plated pin will cost him in the neighborhood of $5.

With best wishes, I am

Fraternally yours,
Dec. 27th,

Miss E. A. Stock,

19 Mount St.

New Haven, Conn.

Dear Miss Stock,

I have your kind favor inviting me to attend the meeting this evening of division 18. I had expected to attend but find that I am unduly chilled with an attack of bronchitis that I consider it imprudent to remain in the night air. I regret very much that I cannot avail myself of this invitation, and trust that your meeting will be most successful.

Thanking you and your associates for this and other courtesies

I remain

Torrington, Conn.

Dear Sir and Brother:

I have your favor of the 26th making reference to
the failure of the official organ to reach you. Replying thereto I would
state that probably the reason why you did not receive it is that the
editor of the paper was never notified of the names and addresses of your
members. This should have been attended to by your secretary. We are
always glad to send the paper to every member in the Order, but to do
this we must have the names and addresses sent in. I enclose herewith
some lists which I would ask you to be good enough to immediately fill
out and forward to the publisher of the paper at Washington, D. C. His
address is P. J. Haltigan, Publisher National Hibernian, Washington,
D. C.

Extending to your associates and yourself my best
wishes, I remain

Fraternally yours,
Edward J. Sheahan, Esq.,
   F. R. Fitzgibbon,
St. Louis, Mo.

Dear Sir and Brother:—

Enclosed herewith you will find my receipt for $2 credited as fee for charter for division at Honolulu. I have forwarded the charter as requested to Brother Creedon, at Honolulu and have also written him and sent him some constitutions. I have asked the national president to forward a list of the names and addresses of the new members to the National Hibernian. I am very sorry to learn of the death of Brother Conlon, of Kansas City.

There is demand for an organizer from the south and the national president may see his way clear to send somebody down there.

With best wishes, I am

Fraternally yours,
P. J. McNulty, Esq.,
63 Lexington Ave.,
Manhattan.

Dear Sir and Brother:

I have your favor of Nov. 2nd asking me to call on you and would state in reply that I will be very glad to do so at my first opportunity. I did not know how just when I can go down to your city but think it will be within a week or ten days. I will advise you a day or so in advance.

Am very glad to your restoration to health. With best wishes, I remain

Dennis Sullivan, Esq.,
963 Virginia St.,
Belo, Missouri.

Dear Sir and Brothers:

I have your favor of October 28th asking that I send, C. O. D., one hundred copies of constitutions, one roll book and one warrant book of treasurer. I would state that this office does not deal in these supplies, but I have handed your request to someone at this time who has some of my printing. Doubtless your request will be supplied in a timely manner.

Fraternally yours,
Nov. 30th,

James F. Tully, Esq.,
373 North St.,
Kenosha, Wisconsin.

Dear Sir and Brothers:

Replying to your favor of the 3rd I would state that fee for charters not underlined is $2; if sent framed, $3. This fee should accompany the application. I enclose a form which I would ask that you fill out and forward.

With best wishes to yourself and associates, I am

Fraternally yours,

Dear Sir and Brother:

Will you be good enough to give me a statement, without delay, of the facts regarding the controversy in York county. You are charged by the county board of that county with having withheld from divisions 1, 2, 4 and 5 the rate, for the present quarter and with forwarding to division 3 the rate, for this quarter, although this latter division has failed to pay a certain county assessment. The matter is to be presented again to the national president and I would like to have your statement to accompany the protest of the board, which has been sent me. I have received from the secretary of the county board a protest signed by 13 men. It bears date of November 1st, 1903. I would thank you for an early and full statement of the facts.

Awaiting your reply and extending my best wishes,

Sincerely yours,
Nov. 3rd,

George J. Osler, Esq.,

159 Parliament St.,

Toronto, Ont.

Dear Sir and Brothers-

I have your favor of November 3rd covering copy of resolution adopted at the meeting of the county board of York county on November 1st. Replying to your request for intervention, I would state that I will immediately present the matter to the national president and trust that your affairs will be righted within a very short time.

With best wishes, I remain

Fraternally yours,
E. J. McThomas, Esq.,
10 Rockford Road
Wilmington, Del.

Dear Sir and Brothers:

I have your valued favor of November 3rd relative to initiation of members. Resolving thereto I would state that some time ago I sent to your state president some obligation cards which he has the authority to give to divisions which are unable to put on the full degree work. The last national convention authorized state presidents to permit weak divisions to use a short form of obligation instead of the new degree work. I enclose herewith a copy of that form and would suggest that you apply to the state president for permission to use this form of obligation where needed. Weak divisions are able to use the degree work the permission to use the short form should not be given than.

Hoping that this will meet your inquiry and extending to yourself and associates my best wishes, I remain

Fraternally yours,

Fort Worth, Tex.

Dear [Name],

Herewith enclosed you will find my receipt for $51.50 credited to your state as mine. I beg to remind you that I must have a report of some kind from your state so that I may know how much to charge against you on the per capita tax. If divisions will not report to you may not suspend them. It is difficult to understand how it can be necessary to run 9 or 10 months over time allowed for the securing of this annual report and I trust you will urge the other state officers to take immediate steps to enforce the proper spirit of discipline within the organization.

Please let me hear from you within a few days on this subject.

Fraternally yours,

Box, John T. Keating,
5410 Jackson Ave.,
Chicago, Ill.

My Dear Keating:

I have your favor of the 4th inst relative to Paraguay matter. Replying to your inquiry I would state that I found no sign of compromise on the part of the state officers. Robert Dillon, Matthews and Sisson, the state treasurer, and cases, the county president, were emphatic in referring to the action of the National Board as an interference in the rights of the state to manage its own affaire, and with embarrassing them as state officers. Some of the division members whom I met thought that the punishment meted out to the division was not too severe, others of the division thought otherwise. I was unable to get any assurance that the parties would come together. I have written the national president that I can see nothing rebellious in the calling of the state convention nor can I say that anything has been done as yet by the state officers for which they could be suspended. I stated to Brother Doan, that in my opinion, the national president had authority to suspend state officers for failing to carry out his requests, subject, of course, to their right of appeal; and that they had failed to do it, there was no offence committed. The language of the vote taken by the Board shows that it was intended to be an opinion only; for instance, 'see the
J. X. E. --- 2.

record as it appears in the National Hibernian.

The taking of an appeal acts as a supersedeas in all cases, but I
presume that in order for advantage to be taken of this rule of the
National Board, that the claim should be made on behalf of the person
who desires the benefit of it: so far as I know the suspended division or
division president has never claimed the benefit of this rule. If it
should be claimed for them, they would thereby become entitled to rein-
statement and could enjoy communication with the rest of the Order.
Should the state officers be suspended by the national president, an
appeal on their part to the national convention would vest aside the order
of suspensions.

I'm ask me, "cannot the party appeal from decision of the state con-
vention to the national convention and does not the appeal act as a
warrant?" I have replied to the latter part of this question, I would
now add textively to the first part.

In the Pawtucket case there can be no appeal from the state conven-
tion to the national convention. Section 1 of Article 33 provides that
in this case the decision of the appellate tribunal shall be final.

With fraternal wishes, I remain

Herewith enclosed you will find my receipt for $12 credited to your name, account. Will note that hereafter you desire 75 copies of the rolls of slips. I send 5 extra slips for this quarter. Herewith enclosed. It will be hard to supply you with many of the alphabet cards. I had 150,000 printed and sent to each state sufficient for its membership based upon the report; however, I will try to send you some as there is on hand perhaps four or five hundred cards, all told. I can let you have some of these.

I am very glad to learn of the demand for them and trust that the sending out of these cards will be the effect the National Board expected.

you desire it sent from here unframed or $6 if you desire to have the
charter framed. Kindly advise me as to your wishes in this respect and

I beg to remind you that I have not yet received any of the per capita tax due from the L. A. This money should have been in my hands some months ago and I trust you will cause immediate steps to be taken so that the money may be forwarded. My Dear Mr. Rebeschini:

I beg to remind you that there is due from your state to this office the sum of $250.00 on the per capita tax. Up to this writing I have received none of it and I trust you will immediately take steps to be taken so that the money will be in my hands without delay. I was instructed to withhold the same from delinquent states, but not to do so for the October quarter. I expect, however, to follow the order of the Board strictly hereafter and trust that you will at once give the instructions to understand that states of them which are delinquent shall not receive the quarterly communications until they place themselves in good standing.

Extending my best wishes and hoping to hear from you soon.

Fraternaly yours,
Mrs. Eleanor McCallum,

My Dear Mrs. McCallum:

I beg to remind you that up to this writing I have not received one cent on the per capita tax due from your state last summer. Your assessment amounts to $986.30 and I am informed by New Haven ladies that this assessment was collected in the state at the time of our holding of the state convention. In addition to this sum, the assessment of $6 is due for 1915. The national office is in need of money and I trust you will cause the sum due us to be forwarded immediately. I am not about to send out another assessment but I want the one which is overdue to be closed up first, if possible.

Mrs. J. Y. Murphy,
170 Dauphin St.,

Dear Sister:-

Replying to your favor of December 3rd which reached me this morning I would state that the assessment of 25 cents per capita is for several purposes as you will note by reference to the circular announcing the assessment; for instance, out of the 25 cents per capita the National Board have decided to set aside 10 cents for the endowment itself. The remaining 15 cents per capita will be expended for the cost of the paper and for the general running expenses of your organization. This is the first time you have been asked to pay for the official organ, although the L. A. have been receiving it from the start. The paper alone costs 10 cents per year for each member. The general assembly at Denver voted to levy an assessment of $20,000 on its members and that this should be collected within two years. The time will expire in July of 1904 and the National Board hopes to have in its hands the sum of $20,000 with which to endow Trinity College. For this purpose it will levy another assessment this week. This second assessment to be payable on February 1st of 1904. The 25 cent assessment to which you refer was for the specific purpose of endowing Trinity College. To this the National Board have

I am asked for the purpose of meeting the expenses of the paper and of the running of the Order as they are authorized to do under your constitution. I enclose bill as requested.

Dear Sir, and Brothers:

Notice of appeal from the order of suspension against the State Officers of Rhode Island has been handed me by James M. Sullivan, of this city, representative of John Dillon and J. J. Mathews, respectively the state president and state secretary of the Order in Rhode Island. I enclose herewith copy of Mr. Sullivan's communication and of the appeal and of the charges to which that division was suspended reference of which is made in the appeal itself. This notice of appeal was left with me on Saturday evening.

Yours truly,

Nov. 5th, 1884

Dear Sister:

I have your favor of November 6th relative to certain objections against the proposed assessment. Replying thereto I would state that I have been informed that notice of the proposed meeting of the Advisory Board had been sent to your address by the national present; at least, the statement was made in my hearing at Cliff Haven that notice had been sent you. I concluded that your absence from the meeting was due to your being out of the country, supposing that you were on your vacation.

Regarding the proposed assessment, I would state that it will go on within a week or ten days. I regret very much that the proposition to enable the University to meet with favor in your state and would say that the National Board have allowed or will allow the full term of two years for the payment of this assessment which would limit it to July of 1886. Of the 70 cents assessment levied, including both assessments, it will require more than 70 cents to make up the $18,000 as we have not only more than 50,000 members to levy upon. The remainder of the assessment is to pay for the paper and for running expenses including the expenses of the Advisory Board to St. Louis next year. I see nothing hard or unfair in this. Everyone should pay for what they receive and as in the judgment of the National Board, it is best for each member of the order to have the paper. Obligation arises thereby to pay for it,
providing there is a disposition on the part of members to contribute to the general advancement of the Order. I have had some correspondence similar to yours from New York state, but had hoped that Massachusetts would be right up in line as usual, with the advancements. I trust that you will use your very best endeavors to bring about a better feeling. During my three years term, the I. A. have paid only 45 cents per capita to the National A.I. That surely is not excessive, particularly in view of the fact that 80 cents of the 35 is to be set aside as a portion of the retirement fund.

Extending best wishes to you, I remain

Fraternally, yours,

National Secretary.

I am still bothered with an affection of the throat which prevents my public speaking.

Please convey to your associates my best wishes and congratulations upon their good work.

Fraternally yours,
J. Dullaghan, Esq.,

Chicago, Ili.
