I am excited to present the 2014-2015 Edgerton Center for the Performing Arts season brochure. It is a landmark year for Sacred Heart University’s Performing Arts Department as we welcome a record number of new students to the growing program. The Performing Arts Department showcases a myriad of talents including the band’s incredible musicianship, the choir’s diverse repertoire, the dance program’s versatility and theatre program’s flair for drama through dialogue and song.

I am especially looking forward to these performances because our students are so talented. I know this to be true, but every year they continue to amaze me. The Edgerton Center has always been a space for creation and entertainment – this year will be no exception.

Our goal, as always, is to share the talents of our students, guest performers and lecturers with our friends and neighbors in the surrounding area as well as with the University community. I am sure you will find something inside this brochure to pique your interest.

I hope you will join me at the Edgerton Center for as many of these performances as you can. You will find me front and center whenever our talented Sacred Heart students are on stage.

Sincerely,

John J. Petillo, Ph.D.
