1988 Busch Beer Holiday Classic - XXII

Over the years the Sacred Heart University/Busch Beer Holiday Classic has earned the reputation as one of the finest and most competitive college division tournaments.

The Classic's eight-team, three-day, 12-game format has enabled area cage enthusiasts to observe a wide range of contrasting styles as exactly 73 different teams have participated. Former Athletic Director and Basketball Coach Donald Feeley introduced the idea to the area back in 1967. The Classic has been a success ever since then mainly because of the untiring efforts of Robert Shea, who will be serving as the tournament director for the 21st consecutive season.

The Busch Beer Holiday Classic XXII will be conducted December 28, 29, and 30 with games set for 1, 3, 6 and 8 p.m. daily. Another attractive field has been assembled with 1984 winner Franklin Pierce, 1981 champion New Haven, 1986 titlist Pace, Concordia, Dowling, N.Y. Tech and Stonehill joining the host Pioneers.

NAIA national power St. Thomas Aquinas captured last year's Classic title by beating Sacred Heart 87-72 in the finals. Only once (Sacred Heart in 1967 and 1968, the first two years of the event) has a team been able to earn back-to-back Classic championships.

Thirteen different teams have managed Holiday Classic titles in the previous 21 events with Sacred Heart garnering eight crowns (1967, 68, 70, 74, 76, 80, 82, 85). St. Michael's College is the only other combine to have more than one championship (1973 and 1975) to its credit. Southern Conn. (69), Wesleyan (71), Tufts (72), Merrimack (77), Bridgeport (78), Quinnipiac (79), New Haven (81), District of Columbia (83), Franklin Pierce (84), Pace (86), and St. Thomas Aquinas (87) complete the list of Holiday Classic champs.
