Campus Minister

① Stop going - only
South grade

② ^{assist} everyone / settle down
going back

③ Serve

generous life
with the life
worth for living

Sacred Heart University was founded in 1963 by the Most Reverend Walter W. Curtis, Bishop of the Diocese of Bridgeport, to provide an institution of higher education for commuter students that would service the needs of the people of the diocese and region, regardless of their sex, race, creed or religion.

Founded in the Catholic tradition, Sacred Heart University, to this day, remains an independent, co-educational institution staffed by the laity.
