Dear members of the Sacred Heart University community,

We want to let you know that Hartford Healthcare has revised its plans to use the SHU mass vaccination site at West Campus as a targeted site. Instead it is a general site that is open to everyone who is eligible to be vaccinated. To sign up for an appointment, go to the [Hartford Healthcare website](#) and set up a MyChart account.

To determine if you are eligible for a vaccination in Connecticut, check [the state eligibility site](#).

We will continue to update you about any opportunities to be vaccinated at SHU as information becomes available.

Thank you,
The Coronavirus Planning Team
