MOVING ON

Written by Michael Brown,
Sacred Heart University’s Director of Gospel Choir

This is not the end, only the beginning.
Pretty soon, we all will be on our way.
Yes, our time at Sacred Heart was special;
We are very grateful for all that we have learned.

I never shall forget my friends and loyal teachers,
Because without you, I would have lost my way.
Most of all, I’m thankful for my family,
And because of you I’m what I am today

Chorus:
My future’s brighter than the midday sun.
Won’t hesitate; got a race to run.
I’m moving on; moving on.
Yes, I’ll face the world with all it’s got.
I’ll never quit. No, I’ll never stop
Moving on; moving on

Deep within our souls, we have found the power,
The courage and the strength needed to succeed
And today I boldly stand before you
And it’s really true—I’m happy as can be

It’s time to say goodbye to all my friends and teachers.
Yes, it will be hard, but we have to part.
I will take with me all of the memories.
They will never leave me; they’ll stay in my heart.

Chorus: My future...

Bridge: Nothing on earth can stop me.
Nothing on earth can hold me down.
(Repeat)

My future, my future, my future’s brighter than....
ALMA MATER

Unison (All):

1. Hail to thy, our Alma Mater, Pioneers are we.
   Sacred Heart's proud sons and daughters
   Stand in unity. Hail to SHU.

2. Alma Mater, Oh grant us wisdom, Heart and mind receive.
   Love and truth, her guiding vision.
   Oh! Swell, swell the chorus,
   Praise, praise her glory, On our fields and in these halls.

Bridge (Choir)

Loyal hearts proclaim her story. Red and White o'er all!

Final Refrain (All):

Oh Swell, swell the chorus, praise, praise her glory, On our fields and in these halls.
Loyal hearts proclaim her story. Red and White o'er all!

The Name. Sacred Heart University was founded in 1963 by the Most Rev. Walter W. Curtis, S.T.D., the second bishop of the Diocese of Bridgeport, to provide an institution of higher education that would serve the people of the diocese and region, regardless of their sex, race, creed or religion. In October 1962, Bishop Curtis announced both the plan to open a college the following September, and its name, “Sacred Heart.” The choice of name had a dual origin: it was the name of the bishop’s first pastorate in Bloomfield, N.J., and was a pledge from the bishop attesting to the value of such an institution.

The Mission. Sacred Heart University is a coeducational, independent, comprehensive institution of higher learning rooted in the Catholic intellectual tradition and liberal arts. It embraces a vision for social justice and educates students in mind, body and spirit to prepare them personally and professionally to make a difference in the global community.

Sacred Heart University is Catholic in tradition and spirit. As a Catholic university, it seeks to play its appropriate role in the modern world. It exemplifies in its life the Judeo-Christian values of the God-given freedom and dignity of every person. Inspired by the ecumenical spirit of the Second Vatican Council, Sacred Heart University welcomes men and women of all religious traditions and beliefs who share its concerns for truth, scholarship, human dignity, freedom and the betterment of society. It values religious diversity as enhancing the University community and creating opportunities for dialogue in the common search for truth.

Through its curricular and co-curricular activities and campus ministry programs, the University provides the context in which students have the opportunity to appropriate their own religious traditions in a critical fashion. Sacred Heart University challenges its students to think critically, analyze carefully, evaluate with a sense of justice and proportion and convey conclusions in an intelligible and articulate fashion. The University provides the environment in which its students can develop the aesthetic dimension of life by nurturing their abilities to imagine, create and appreciate. It enables students to acquire a rich understanding of their own cultural and family heritages, so as to assume their responsibilities as conveyors and creators of culture and family. As a community of teachers and scholars, Sacred Heart University exists for the pursuit of truth. It joins with other colleges and universities in the task of expanding human knowledge and deepening human understanding. It encourages and supports the scholarly and artistic work of its faculty and students. Further, it has a responsibility to share its resources and its special gifts and talents for the betterment of the human community. All members of the University body are strongly encouraged to participate in the wider community through service to others, especially the poor. From its founding, the University has been recognized for its caring approach to students. This approach expresses the University’s belief that each student is born with a unique set of qualities and skills. It respects the personal and academic freedom of all of its members, while at the same time fostering a genuine experience of community. By so doing, it creates the environment in which each person in the University shares in common goals and a common commitment to truth, justice and concern for others.

The Seal. The official seal of Sacred Heart University was introduced on July 22, 1963. The original pen-and-ink drawing hangs in the diocesan museum at The Catholic Center in Bridgeport. The seal consists of a shield surrounded by the inscription, Universitas Sacri Cordis, in large letters. The shield comprises a dexter—the right-hand side of a shield (the left, as seen by the viewer)—and a sinister, the left-hand side of a shield.

The dexter impalement bears the jurisdictional arms of the Bridgeport diocese. The bridge above waves of flowing water affords an apt expression of the name of the diocese that encompasses Fairfield County, Connecticut, where Sacred Heart University is located. The bridge represents service, which forges strong bonds of understanding and unity among diverse constituencies, while the vivifying water symbolizes the “port” by which new knowledge and ideas energize the scholars who commit themselves to the disciplines of academic inquiry. The Cross of Our Faith above the bridge dignifies the other symbols and identifies the University as a community that celebrates the richness of the Catholic intellectual traditions.

The sinister impalement displays the personal coat of arms of the Most Rev. Walter W. Curtis, S.T.D., the founder
Upon graduation, students of old carried a mortarboard showing them to be masons of the future, destined to build empires or cities or fountains of wisdom on the firm foundation of knowledge. To this day, graduates wear mortarboard caps, symbolizing that they are builders of the future.

The history of the hood, with which degree recipients are invested, dates back to 13th-century England. Whether its origin is ecclesiastical or secular has never been settled. Hoods are two-and-one-half feet long for the associate degree, three feet for the bachelor's, three-and-one-half feet for the master's and four feet for the doctoral degree. The hood is lined with the colors of the institution—red and grey, in the case of Sacred Heart University. The trim color indicates the academic degree: white for arts, letters and humanities (B.A.) and golden yellow for science (B.S.). The hoods of those with graduate degrees, as well as the tassels on the undergraduates’ mortarboards, are often in the color associated with the academic field of specialization, as follows:

- **White**: Arts, Letters and Humanities
- **Apricot**: Nursing
- **Drab**: Business
- **Slate Blue**: Occupational Therapy
- **Light Blue**: Education
- **Dark Blue**: Philosophy
- **Brown**: Fine Arts
- **Green**: Physician Assistant
- **Purple**: Law
- **Teal**: Physical Therapy
- **Crimson**: Media Studies
- **Gold**: Physical Therapy
- **Pink**: Music
- **Citron**: Science
- **Scarlet**: Sociology, Social Work and Criminal Justice
- **Teal**: Theology and Religious Studies

Academic Dress. Tradition holds that the cap and gown were first used in ancient Greece, when only youths with wealthy parents or those with patrons attended school. The wise teachers of the time believed scholars should not wear fine clothing and jewels but rather, that the scholar should wear workers’ garments. In the United States, the gown commonly worn for both the associate’s and bachelor’s degrees has pointed sleeves (with a slit for the arm). It is designed to be worn closed. The gown for the master’s degree has an oblong sleeve, open at the wrist. The gown for the doctoral degree has bell-shaped, open sleeves. All gowns are black and without trimming, with the exception of the doctoral gown, which normally is trimmed with velvet, has three bars or chevrons on the sleeves and may be in distinctive color(s) governed by the school granting that degree. The master’s and doctoral gowns may be worn open.

The preceding does not constitute
an official graduation list.
The students listed here were
candidates for the degree or honor
at the program’s printing deadline.
Latin honors for undergraduate
students as announced at the
undergraduate commencement
ceremony were calculated as of
the end of the Fall 2019 semester.
Thank you to members of the class of 2020 who contributed to the Senior Class Gift Campaign. More than 300 seniors have given back to elements of the Sacred Heart community that matter the most to them, including scholarship support, academic programs, performing arts, student organizations, athletic teams and volunteer service initiatives.

Students who made special gifts of $20.20 or more in honor of their graduation year are wearing silver cords today with their academic regalia.

Best of luck to all of you in the next chapter of your lives. We hope you always consider Sacred Heart University your home away from home.
