Dear members of the Sacred Heart University community,

We wanted to send you a quick note as we head into the break. As we conclude the semester, the dashboard shows us with 63 active cases. During the break, we will be updating the dashboard weekly on Thursdays. We will go back to daily updates once we are back on campus for spring. We will be issuing updates as needed over the Christmas break. Otherwise, our next planned update is scheduled for January 8.

We have received a lot of questions about the state requirement for a 14-day quarantine for those coming from a high-risk state. Since these state guidelines are constantly evolving, we will address that question when we get closer to move-in based on the state’s regulations at that time.

In the meantime, we want you to enjoy the break. Something that might help get you into the holiday spirit is the Home for Christmas virtual concert featuring Allegra De Vita ’11 tomorrow night at 7 p.m. or the rebroadcast of SHU’s choral groups’ spectacular Christmas at the Movies that starts Monday at 7:30 p.m. and (as you might expect) features Christmas songs from movies. Whatever you do, be happy and healthy. We will be back in touch as we get closer to the opening of the spring semester. Merry Christmas.
