***CORRECTION* Coronavirus Update 8-6-21**

CORRECTION: The following statement from this morning's coronavirus message was incorrect. Upperclassmen will move in on **Sunday, August 29**, not August 28. We apologize for any inconvenience.

Move-in

This year's move-in will also be mostly back to normal. Freshmen will be moving in August 26-27 and may be accompanied by family members. Family members will need to be masked and will be able to go inside. As in the past, volunteers from various University clubs and organizations will be on hand to assist with unloading and getting things into your rooms. Upperclassmen will move in August 28.

Please note: Given the unpredictability of the variants, we will continue to consult with and follow the guidance of the CDC, the Connecticut Department of Health and state and local health officials. We will all need to be flexible and understand that as we continue to work in the best interest of the University community, there will likely continue to be changes and updates. We also suggest that all students come to campus with preliminary plans in place should there be a need to return home for isolation, quarantining, etc.
