### **Coronavirus Update 1-21-22**

Dear members of the Sacred Heart University community,

Students who are unvaccinated and those who have been randomly selected will need to register for testing next week. You can register either for [Monday and Tuesday](#) from 8:45 a.m. to 2 p.m. in the library or [Wednesday and Thursday](#) from 8:45 a.m. to 2 p.m. in the Edgerton Center lobby. Employees who are coming back to campus for the first time next week should also register to be tested their first day back.

### **Skating Rink Open**

The skating rink on the Pioneer Village quad is open for business today. Grab your skates and give it a try! More good news: Red's Pub will have its reopening on Monday night!

Have a great weekend,  
The Coronavirus Planning Team

--

*Please note: Given the unpredictability of the variants, we will continue to consult with and follow the guidance of the CDC, the Connecticut Department of Health and state and local health officials. We will all need to be flexible and understand that as we continue to work in the best interest of the University community, there will likely be changes and updates. We also suggest that all students have plans in place should there be a need to return home for isolation, quarantining, etc.*
