Coronavirus Update 4-28-22

Dear members of the Sacred Heart University community,

With the semester coming to a close, there are a few things we wanted to share with you about testing. This week will be the last week of mandatory testing.

Next week, on Monday, May 2, and Tuesday, May 3, testing will be available for students and employees who would like to take advantage of it from 9 to noon in the Edgerton Center lobby. Our last testing session for the semester will be Monday, May 9, and will also be from 9 to noon in the Edgerton Center lobby. No appointments are necessary. Just walk on in.

Rapid tests for those who would like to take a test before heading home will continue to be available in the residence halls and at the concierge window.

Congratulations to all who are graduating and wishes for a great summer to everyone!

The Coronavirus Planning Team

--

Please note: Given the unpredictability of the variants, we will continue to consult with and follow the guidance of the CDC, the Connecticut Department of Health and state and local health officials. We will all need to be flexible and understand that as we continue to work in the best interest of the University community, there will likely be changes and updates. We also suggest that all students have plans in place should there be a need to return home for isolation, quarantining, etc.
