Message From The President

Greetings Students,

I hope your college year is going great thus far. The Student Government is working hard to serve your needs. So what is Student Government? We are the direct liaison between the students and the administration. We are here for YOU! The Student Government is broken up into different aspects of the university. The make-up of the Student Government is a combination of Student Government E-board, Senate, Student Events Team, CCO (Counsel of Clubs and Organizations), Finance Board, Greek Life, and the Class Boards. The Student Government E-board gives off the umbrella effect

where every part of the university's Student Life is present. This year's Student Government E-board is made up of the following individuals. We are the ones who can make a difference in your college experience. If there is something wrong or a problem with issues like Flik, Parking, or Res Life, we are the ones to come and talk to. Our school is constantly growing and expanding. We need your feedback. This is a new year in Student Government. It's not going to be just a title anymore. We are here for the students and to make this school better

for all of us. We are back on track for that. Years previous, people forgot what Student Government was supposed to do. So far this year the motivation is back in Student Government, and that motivation will stay for the rest of the year. Do not hesitate to come to the Student Government Office to voice your concerns. Currently we have begun to work on stopping Congress from passing a law that will lower the amount of financial aid in colleges. Financial aid is something that a vast majority here at Sacred Heart University takes advantage of. We can not let that slip by us. Please help us in this effort. Our office is downstairs in Hawley Lounge, and the office phone number is 203-371-7954.

The Class of 2007 has been working extremely hard this year. They started off the year by going around the Fairfield area in search of donations from local businesses to contribute to the annual Family Weekend Raffle Baskets. After intense searching, they came up with a total of 15 donations. This served as a warm up challenge as they proceeded in holding their own fundraiser by raffling off a \$100 gift card. Not only did the Class of 2007 fulfill their fundraising event, but they also made one lucky person extremely happy! Amongst the weekly meetings and the typical bonding that occurs within this class board, their biggest challenge this semester is quickly approaching - the semi-formal. This year's semi-formal is better known as the *Snow Ball*. The *Snow Ball* will be held on December 9th, from 8pm-1am at Villa Bianca. Not only is Villa Bianca an extremely gorgeous hall, but the buffet choices will guarantee to leave your mouth watering! Tickets will be on sale from November 2nd- December 2nd from 11-2 pm. The cost is \$20 for SHU students and \$50 for non-SHU students.

The Wild Senior Section

The Class of 2006 board is made up of Kara Simpliciano, Diana Smith, Lisa Matarazzo, Justin Gage, Jess Mugavero, Shannon Hines, Nora Murphy, and myself. Our board has been working hard for the past 6 months fundraising through flea markets for our senior year activities, such as the senior mystery trip and senior week! We have one more flea market for the fall season, on November 6th, and then three more in the spring! As another form of fundraising our class prepared and sold midterm baskets to all underclassmen and did a great job! They proved to be a very successful fundraiser and we thank all those who participated! During this year's homecoming weekend, the Class of 2006 won the float competition (as the Senior Circus) for the third straight year!! Go SENIORS! We are working on the festivities for senior week and putting together the week in general. If anyone is interested in attending class board meetings or has any questions, the Class of 2006 meetings are held every

Monday at 8:30AM in the Faculty Lounge. All are welcome! Finally the November Senior Night in the Outpost Lounge will be on Wednesday, November 30th, starting at 10:10PM! On behalf of the Class of 2006 let me just say that we are looking forward to making this a memorable senior year for all! Thanks!

The Stellar Sophomore Section

Hello! My name is Amanda DeMatteis and I am the President of the Class of 2008. The Class of 2008 Board has a lot in store for you this semester from Sweat Sales, Volleyball Tournaments, Wrapping Paper Fundraisers, and Community Service projects there will always be something available to you. A very large project that we have taken on is a leadership conference which will be held on campus March 25th, 2006. All profits will go directly to our class and believe it or not, we are already looking into where to hold the Semi-Formal Dance next year. Our Midnight Volleyball Tournament will be on December 4th at 11:00pm in the Pitt Center. Registration will be November 14-18 and the price will be \$12 for a team of 6! Get your friends together and play...it's definitely going to be a good time. For community service this semester we will be adopting a family and holding a thanksgiving dinner at Golden Hill for those less fortunate. If you have any questions, concerns, ideas, ANYTHING...please do not hesitate to email me at dematteisa@sacredheart.edu

Spring Concert

Applications for the Spring Concert Chair go out on 11/22/05. SET puts on the concert every Spring and if you want to be a part of getting your dream band to SHU this is an excellent position as well as career builder/resume builder.

Fresh News From The Freshman

With little experience in SHU SG and dealing with all the issues associated with being Freshman, our class has really come together to form a powerful representative on campus, Class of 2009. Even though we have only had four formal meetings as of Nov.1, we have already been successful in working on the Family Weekend Basket (our first fundraiser) and more importantly laying the ground work for continued achievement. Our class is the largest in SHU history and with this recognition comes great responsibility. There is an expectation that our class will achieve great things and Class of 2009 is committed to exceeding all expectations. Our Class is represented by four officers (myself; Vice President: Brian Germain; Secretary: Teresa Fennell; Treasurer: Kelly O'Connor); four Senators (Mike Tarantino, Lauren Corso, Leah Gallagher and Jason Possemato); 9 Board Chairs for Events (Christina Esposito, Dominique Valenti and Ashley Tassioulas), Fundraising (Courtney Weaver and Monica Veale), Community Service (Lando Cox and Amanda Brewin) and Public Relations (Ayana Romain and Amanda St. Bernard). We are also advised by the amazing Ray Mencio. Our Board has a great relationship and has demonstrated its ability to represent the Class of 2009 to the fullest of our abilities by entering a float in the Homecoming Parade. We have adopted a goals plan and are setting out to achieve it. Our efforts will not only benefit our class, but also benefit the broader community around us, enabling the Class of 2009 to leave a lasting mark on the Sacred Heart world. To be successful, we will need everyone's involvement.
