Dear Sir. -

Your favor of Feb 21st recd. I would have answered it sooner but have been absent from the city for some time

Enclosed find application for charter with twenty three signatures. I feel confident that if a division is started here that we would soon have a membership of at least one hundred

I am also enclosing a map of the Province with a list of the principal towns and their population. This is a new county comparatively speaking but is going ahead in leaps and bounds, this month already 16000 immigrants have arrived. The population of Winnipeg is 65000 and it is predicted that it will be 200000 within five years

Awaiting your reply I am
Yours very truly, Chas. J. O'Toole

Dear Sir. -

Your favor of recent date recd and contents noted as to charter etc.

Could you let me know if we are to be under the jurisdiction of Minnesota or Ontario. We understand that in some states the Insurance is compulsory & in others optional, we have several good men who are adverse to joining if the insurance is compulsory. If in either of the above mentioned places the Insurance is optional we would prefer to be connected with them. We have everything in shape now for applying for our charter which we shall do as soon as we call our first meeting. I thought however that it would be advisable to get definite information re the insurance question
