Dear Bro Bee

No doubt it may seem  
somewhat irregular for me to address  
you except through the medium of  
Bro Bee but as the matter is of  
some importance to me, and as I  
do not seem to be able to get the  
Pres Bee or Secy to understand  
me. I thought that under the  
circumstances I would drop you  
a line feeling that if I transgressed  
on for bidding from that you would  
overlook the act for the present and  
it is a matter of interest to our  
members of the N.O.H. line

Let me say that our services has  
only been started since Jan 1902  
and have made very fair progress so  
much so that our membership is  
now one hundred and fifteen. We  
have undertaken to obtain a rent of  
Rooms in keeping with order, and  
we have had to make an expenditure  
of quite a sum.

In order to meet this we  
have decided to have a better, better-  
fireworks we intend to send to see  
our town friends. However before doing  
so we want to get consent from the  
proper authorities, and as to this  
and as you I have written to Bro  
O'Brien and he tells he does not  
think it necessary. The Prov Pres  
I have written to give his encouragement

Consent, but to my mind I do not  
consider it sufficient. Hence I thought  
I would drop you a line, to ascertain  
before we make any advance as to  
to be sure of our position. I would  
therefore ask you to inform  
me if it is constitutional for us to do  
this, and if further authority is  
necessary.

# Hall Division No. 1, A

(Beaslein Building.)

HALIFAX, N. S., JUNE 1st, 1903.

DEAR SIR & BRO:

Division No. 1, of A. O. H. Halifax, beg to take this opportunity of appealing to the members of our order throughout the United States and Canada for assistance. In doing this we wish to place before you our position. Our Division was organized about eighteen months ago, and while we have every reason to be satisfied with the success we have had so far; yet in order to place our Division on a footing with all other societies in the town, we find it imperative that we should have a place where our members could meet often, and to provide other attractions for them. All other organization have them, and if we want to hold our members and increase our membership, we must do it. Apart from that we are living in a city whose feeling and sentiments are British, and many of our people look upon

us as a body whose aspirations are adverse to these sentiments. Now we desire to show them, that while we entertain that love for the land of our fore fathers, and are prepared at all times to assist our needy and distressed countrymen, yet we are not unmindful of the land that gave us birth, and where we look for our daily bread. We have therefore taken a step to procure comfortable rooms for our members, and in doing so have gone to considerable expense. In order to meet all our obligations many of our friends have given us several articles to be drawn for, and we have augmented the list ourselves, and are placing before you a prize list, which we think will compare more than favorable with any list of a similar character ever received by you.

We therefore confidently appeal to all our Brother A. O. H. men to come to our aid, and feel that the motto of our order, "Friendship, Unity and Christian Charity," will find a ready response from all our Brothers. If you can dispose of the enclosed book, and make returns of same you will have the grateful thanks of members A. O. H. Halifax.

Honored Sir and Broth:-

I may possibly be  
complaining to you a matter  
when you consider foolish but  
I feel a little hurt over an  
article copied in the National organ  
from the "Boston Herald" head "What  
are Canadians" The object of this National  
organ is to promote the objects of our  
good and noble order, namely "Fellowship  
Unity and Christian Charity" I am not, I am

In a position to give the Canadian  
Membership of the order but I venture  
to say that we are a thousand —  
(In Cape Breton we have only one  
division but we are organizing at Glace  
Bay in a short time. I am drifting  
from my subject,) And as I am President  
of the Sydney Branch the article in question  
was brought to my notice by none other  
one of ~~them~~. I say it is an insult  
to Canada And I am surprised at  
the Editor of your National paper to allow  
such Articles to adorn the Columns  
of the paper which reaches thousands  
of homes in Canada And elsewhere. I  
though I would draw your attention  
to this matter. I would like to  
have full information re New National  
work I would like to have some

Worked in our division this year.  
Sydney <sup>is</sup> doing good work. We now  
have a new Club Room and our  
Membership is now over one hundred.  
I do not suppose my name need be  
mentioned in case the article is again  
spoken of. Hoping I have not taken up  
too much of your time. I remain, Sir, yours
