Dear Sir & Brother:-

I am in receipt of your letter of the 8th inst. I had to pay D in Nov Ch Town \$1.50 out of my own pocket for mds for mds for 3rd & 4th and 1st quarter. I had already pay you for this up to Sept; I could not get mds without doing this. Please arrange for me to have 1.50 returned. I would prefer not submitting this matter to our Div as we have new members coming in every meeting. I acted on your advice last fall by sending you pay for mds at your request and I did not expect this trouble. I am anxious and believe in following the constitution, but could not be

censured for following advice of the
Nat Sect, I hope therefore you will
have 1st refunded to me.

Our Div is rapidly advancing and
doing good works. We have 8 Societies
here in this Town and Div no 3 A.O.H
takes the lead in number of members.
Socials Rerades Etc. We have paid out
considerable in Sick benefits already.
A great many people, especially leading
Irishmen who did not see the need of it
at first - are now admirers of Div no 3.
My personal wish is to have it continue going
ahead, and I trust in future that there will
be no more unnecessary delay about Indoe.

Dear Sir Brother:-

I received your letter of the 5th
Ulmo, also 5 initial and explanatory circular.
It is in this Town that I hope to have a Div of
the L.A. established and in the adjoining
Parish one for men. Please send me
charter applications for each. I hope to
have two societies started by June 1st. I
am afraid of the Degree work with L.A. would
corner Initiation with out degrees for the present.
Would you advise me to attend National Convention
next July in St. Louis? I am the County President
for Prince County, as well as President of Div No 5
since I got it started here 3 years ago. we had hard
work to get 15 to start - now we have 115 on the Roll,
this next Div I am trying and will start with
a good one. Please send Blanks at earliest
convenience. I would be thankful for any
instructions you would give me about

 why we have not received it: We are having new

 a repetition of the trouble of last year Reuben. Please

Dear Sir & Brother:-

I am in receipt of your letter of the 7th inst. I consider your action in shutting us off so suddenly without any warning kind of rough. In your last letter to me you might have informed me of your intention to withhold mds. I got out of bother about mds last year by pay in an amt demanded out of my own pocket. Send me the mds with amt due for assessments and I will remit you Sure. Our next regular meeting is next Sunday 22nd inst. I expect some imitations and it will be very awkward not to have the new mds. Yours fraternally

I am after mailing
a P.O. order of no \$ Power in your
favor for amt of National Assessment
claimed. I would be very thankful in
future that you would give me notice before
shutting off Inds from our Dis. I was to
start Branch at Palmer Road next
Sunday but cannot on account of not
having Inds. This is going to be a grand Dis
they will have 100 members before a year.
We should have 10 Division at least here on
the Island with 1000 members. I find it gives

Dear Sir & Brother:-

Could you give me an idea of the probable cost for a delegate to National Convention at St Louis next July, not including car fare. The members of the Div I have the honor to be President of since its establishment they want me to go but I would not care to go so far if cost would be very much. I am a delegate to CmBA Convention that meets in Toronto this summer and I am undecided which one to attend. The expenses of the CmBA delegation is paid by the order while my expenses of attending A O U convention would come out of Div and my own pocket

However I would much sooner go
to St Louis if the Cost would not be
too great.

The new Division at Palmer Road
will require a Charter in a few weeks
it promises to be a grand Div
If I could get travelling expenses
which would not be very much I
believe I could have ten Div of our
grand Association here on the Island
before this day next year. I am bearing
the expenses of this Palmer Road Div
out of my own pocket as well as the fine on
here. But I do this with pleasure. But
I am sorry I can not go further in the way
of organization as it costs considerable
and I am not blessed with any too much
