SUBJECT:

Mr. James P. Bree,

National Secretary, A. O. H.

My Dear Sir and Brother:-

For the first time in my new official capacity I have the pleasure of writing you, and in doing so I wish to congratulate you upon your re-election as National Secretary. My name, queer as it is, nevertheless, is that of a father born in this country and a mother born in Wexford, Ireland, which, of course, makes me eligible for membership. I have been with the A. O. H. for the past ten years, 9 consecutive years of which I have been elected as Secretary with a live and healthy organization. I was honored with two terms as County Secretary, and last, but not least, with that of State Secretary.

I trust that my official affiliations with you during my term shall be those of a pleasant nature. I shall endeavor for my part to make them such, and I am sure nothing would be more pleasing to you.

I submit herewith names, addresses, etc., of our newly elected State Officers.

Trusting I may give entire satisfaction to yourself, as well as our Maryland people, I have the pleasure to sign myself.

Yours fraternally,

J. A. B. Horn

Dear Sir:-

In pursuance of your recent correspondence with Mr. A. D. Patrick, Supt., of our Fraternal Order Department, I take pleasure in notifying you of your appointment as our Agent at New Haven, and would say that I have this day ordered for you a Certificate of Authority from the Insurance Department of your State. As Mr. Patrick has furnished you with a full supply of application blanks and rate sheets, it will not be necessary for me to send you anything additional at this time, and I would say that your appointment as our Agent at New Haven authorizes you only to solicit for the Company the business of the fraternal order, of which you are Secretary, as Messrs. Geo. R. Burton & Sons are our regularly appointed General Agents for the City of New Haven and vicinity.

Trusting that you will secure a full share of the business in question, and that your relations with the Company will be both pleasant and profitable, I remain,

My Dear Bro. Bree.

After some arduous work on our part, the State officers of Maryland are now prepared to settle our accounts with the National Organization, for the Assessment of 1903 and I herewith enclose you check for \$558.50 according to instructions received from our State Secty. - we have had some trouble, but thanks to the perseverance, and energy of our State Pres. and Secty. we are now in a position to meet our obligations.

Will you kindly consult your accounts, and ascertain whether or not, we owe you a quarter Natl. tax for 1902 or 1903, my accounts show that we have paid six quarters including the present 1/4. it is my impression that it should be seven quarters; please inform if correct.

I am in need of a Directory, will you

Kindly forward me one if you have
any at your disposal.

Hoping for the pleasure of meeting
you during the coming Natl. Convention

Dear Sir & Bro;

Enclosed please find blanks filled out as instructed, for two Charters for which remittance has been made as per letter of April 9th. Would suggest sending Charters in blank as there may be some correction as to names of officers etc. etc

Please mail to my address five blanks for Division Annual reports and two blanks for State Secretary's Annual report. If any charge attached send memo with them. Have just learned that a number of Divisions are without these blanks

The County President of Baltimore assures me he is doing all he can to complete his annual report and has two divisions yet to hear from. This delay is vexatious and yet beyond our power to control at present.
