Dear Sir:

As you know there is no L. A. in this city, I beg leave to ask what steps are necessary in order to organize a division out here. I laid the matter before the A. O. H. members and both Nos 1 and 2 took the work up most enthusiastically, called a meeting at which I addressed the ladies present, and about 20 put down their names and promised to help along the work in every way possible. Please let me hear from you soon. I am a member of division No. 3 in St. Paul, and came out here 5 months ago, to make my permanent residence, and saw at once the opening for an L.A. Would organize all over the state if given the appointment, and all instructions.

Fraternally yours,

Alice Keegan

Dear Sir and Bro.

I received your letter of March 30th
and I now hasten to answer it. Since my last communication
to you I have changed my residence. so I deem it necessary to inform
you of same, before you send me the Modse. for the next quarter
You spoke a bolt me going to the next Convention. it would give me
great pleasure to meet you at our next Convention if it was possible
for me to go, but unfortunately I cant attend as we have not got enough
of money in our treasury to send a Delegate to the National Convention
as you already know we have only two Divisions here and one of them
is financially embarest. if we had five or six hundred members. so that
we could levy. an assessment. than we could afford to represent
the State of Oregon at the National Convention.

So that you can see for yourself that we are like the Cows. Tail
always behind. and there seems to be no prospect of going a head.
the Irish People dont seem to pull together in this City
There are a few good men who are trying to keep the order together
while a great many more dont take any interest in the order that is the
way things are running in this City at the present time.

Hoping to hear from you soon. and that those few lines will
find you in the best of spirits I remain yours fraternally
Charles Driggan
