Prologue 2013
Soaring to New Heights:

Yearbooks serve to preserve the memories and achievements made in their years as a student. This edition of the Prologue hopes the Sacred Heart students take their achievements to new heights. "Soaring to New Heights" embodies this wish for the graduating Class of 2013. This edition was created with the hard work and dedication of the Prologue Staff, the Assistant Editor, Ashleigh Betso, and our advisor, Amy Ricci.

As you flip through the book in years to come, I hope you recall the happy times that are reflected in each page. You may come to realize just how important your experiences were at SHU in the making of your successful lives.

Prologue, 2012-2013
Dedication:

Student Government and the yearbook committee was asked to choose the person in which the yearbook would be dedicated to. Their initial reaction was excitement and flattery, which soon turned to apprehension as they thought about the intensity of the task. They knew that picking just one person from the amazing faculty and staff at SHU was going to be quite difficult. After some discussion, the choice was obvious and they picked the one person most deserving of this award. Cynthia Conte, Supervisor for Event Set-Up, Moves & Furniture, works hard everyday to serve the students and faculty, making sure that Sacred Heart University is running smoothly and effectively. She always ensures that the students best interests are kept in mind. Her service to Sacred Heart’s community is immeasurable.
"Every question is our calling; every answer is our privilege," that is the motto that Campus Operations employee’s embrace through their work, and one that she truly exemplifies. Between helping with Colloquia's and Lecture Series and with all the events that Greek Life, the Student Event Team, Student Government and various clubs and organizations such as Best Buddies and Habitat for Humanity put on, we do not know how she continues to keep a smile on her face every day. Cynthia has been seen rushing to school early in the morning or late at night to help with last minute set up for events. Cynthia devotes full days to the planning of a Student Government event just to make sure that all the details are finalized and no one needs to be worried about a thing on the day of. No matter what type of day it is, she can always be found greeting every student with a bright smile on her face. She will stop at any moment to interact with a student and ask how she can help. She is willing to go above and beyond her responsibilities to assist the Sacred Heart University community and we are happy to recognize her commitment to our campus and students. We are so proud to congratulate and dedicate the 2013 Prologue Yearbook to Cynthia Conte of Campus Operations.

Letter From 2013 Class President:

Dr. Petillo, Sacred Heart University Board of Trustees, Honored Guests, Faculty, Staff and of course the Class of 2013. It is an honor to be a part of this special day and to share a few words with my fellow classmates. This is a milestone for each of us and our families, and it is to our loved ones that we owe our deepest thanks, because without them none of this would have been possible. As I was thinking about what I was going to say today, this quote from Steve Jobs really hit home, “Your time is limited, so don’t waste it living someone else’s life...Don’t let the noise of other opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition”

We’re going to miss the school, but our path through these years has been nothing short of amazing. Our time here is coming to a close. Everyone probably has the same feeling I do, realizing that in a few short minutes, we are going to be considered alumni. Are we ready for this? To that I respond, yes. It’s going to be tough trying to get into a new routine after today, but we can do it! Yes, we are going to miss waking up on a Tuesday at 1pm and having breakfast, Yes, we are going to miss hanging out on the lawn in front of Seton and Merton or walking into the "Mohog" at crazy hours of the night to study. And yes, we are going to miss the friends that we have made, the place we have called home for four years, the memories that will stay with us for a lifetime!
Mike Guardino

In my four years at SHU, I have consistently been encouraged to better myself, to work harder and to take that next step. Whether it was in my academic classes, Student Government or Rugby, the faculty, staff and coaches that I have worked with have been there to lead me to the right path. They showed me that I could do anything I set my mind to. SHU never held us by the hand; we were not coddled, rather we were endured. When we go into the real world, we are going to be prepared. We have the advantage because of the education that we received at SHU. Don’t get me wrong, it’s going to be tough, but we’re going to make it. It’s a time of life that is going to be new and exciting, SHU has set us up for this moment; it has made us the people we are today.

So when you leave SHU, do something big and accomplish your goals. If you want to be a nurse, then do it. If you want to be a big business person, who's saying you can’t do that? If you want to become President of the United States, please do. However, some dreams ended when we came in to SHU, because if we all became the first job ever we wanted, this school would be filled with ninjas and princesses. But we have matured through these four years or how many more it took you, because we had our eye on the prize. We wanted that diploma, we wanted to make a difference and we wanted to be here at this day. It’s sad to realize that our time here is closing, but a new chapter in our life is about to bestow.

I would now like to ask my fellow classmates to rise for the turning of the tassel!

Congratulations Class of 2013, you are now Alumni of Sacred Heart University!

- Mike Guardino, Class of 2013 President
The 2nd Annual Presidential Gala, hosted by President John J. Petillo, did not disappoint as hundreds of students gathered in South Lot to enjoy the night. The attire was "dress to impress". The cover band 'The Zoo' provided the music for the event, playing some current music while also mixing in some classics such as "Don’t Stop Believin’" and "Shout." President Petillo greeted each student at the door. This event was also a chance for him to get to know more students from each class.
On Tuesday February 26th, Bobby Valentine was introduced as Intercollegiate Director of Athletics at Sacred Heart University. Valentine will be taking over for the retiring Don Cook. Valentine got right into why he had accepted this position at Sacred Heart University. “I’m a guy who loves to do things, who loves challenges,” he said addressing a question from the media, “I do things that are presented to me so I can be challenged, and that I can strive for excellence everyday, and I think this is a very challenging position.” There was a tremendous amount of excitement in the crowded room during the press conference. An impressive amount of media showed up to cover the press conference. Valentine is a well-known figure in the sports world, both nationally and internationally. Valentine is a native and resident of Stamford, Connecticut and also has a radio show for NBC Sports.

On Friday, September 28th, alumni, staff, families and students of the Sacred Heart Community were invited to join in on the Homecoming activities of 2012. The fun filled weekend started with an Alumni University Luncheon in the Linda E McMahon Commons, celebrating the classes that graduated in the years that end in two and seven. On Saturday, the Homecoming football activities began at noon with giveaways, raffles, games, and a gameday march by the Sacred Heart Marching Band around the campus that led up the hill to Campus Field. The Pioneers played with pride and dedication and won their game against Central Connecticut State in front of the packed crowd of fans. These fans enjoyed cheering their team on and supported them by sporting red SHU shirts, coon-skin hats, sweatshirts and foam fingers.
Sacred Heart University’s 22nd Annual Family Weekend kicked off on Friday, Oct. 26. Many events for the families of Sacred Heart students were on the agenda. It brought parents, siblings, and loved ones of students to campus to show them what the Sacred Heart community is all about. Leading up to the football game against Albany, parents were welcomed to join the “Wild, Wild, West” tailgate. The football game was a great success even in a Sacred Heart defeat 23-30. After the game, all families were invited to attend “Bingo Bonanza” and were encouraged to venture into downtown Fairfield for dinner. The day came to a close with an invitation to see and hear from members of one of the longest running and most viewed musicals in the world, “Les Miserable.” To wrap up the weekend, the Chapel of the Holy Spirit hosted a mass, followed by a breakfast with President John J. Petillo.
As Outpost Pub's doors close, Red's doors open in the new Linda E. McMahon Commons for students and staff ages 21 and older. The Student Union proudly manages and runs the pub which is open six days a week, serving beer, wine, and food. Red's provides a place to congregate with friends and staff after classes. Senior Pub Nights are now held here along with Alumni Weekend activities and Themed Night Events. Red's is a great place for those who want to watch their favorite teams play on the big screen, listen to live music, dominate in dart tournaments and win trivia games with their friends.
Throughout the year, the Student Events Team hosts a myriad of events ranging from the famous Stuff-A-Bear and Mini Fish Tanks events to Bingo, Harvest Week and Siblings Weekend. But the ones students most enjoy are the annual Fall and Spring Fests. This year, everyone came out to the 63's Patio for the Pizza Truck, caramel apples, plastic cup and cowbell giveaways, and had fun on the Wrecking Ball inflatable. Those who were over 21 years old, enjoyed the Beer Garden. Seniors know that Spring Fest is one of the last times they will share together and always seem to make the most out of this awesome day.
SHU Hoops Madness and Pack the Pitt are two of the biggest events Student Government helps to host. Giveaways and half-time activities, along with entertainment and raffles, are coordinated by the Student Government Executive Board. To kick off the Basketball Season, SHU Hoops Madness serves as a pep rally for the Men’s and Women’s Basketball Teams, along with wishing the rest of the Winter Sports luck with their upcoming season. On October 12th, 2012, students came to the Pitt for the event and took part in an amazing raffle that included a 32” Flat Screen TV, Stab Hub tickets and American Express Gift Cards.
On January 26th, 2013, students filled up the Pitt Center again at 4:00 PM to watch their Sacred Heart Men’s Basketball Team take on Monmouth. Everyone was given a coonskin hat as they walked into the Pitt Center Lobby. The fans enjoyed the flawless performances from the Band, Dance Team and Cheerleaders. The Basketball team successfully won the intense game in front of the excited crowd. At the end of the thrilling game, Student Government announced the winners of the Disney Trip Raffle. The Women’s Basketball Team then played at 7:00 PM and took another victory against Monmouth!
Thanksgiving Services

On November 15th, 2012, Campus Ministry and the Office of Volunteer Programs hosted the Annual Thanksgiving Interfaith Prayer Service in the University Commons. The SHU community gathered not only for the service, but to bring food donations for the annual Thanksgiving drive. Rabbi Suri Krieger, Chaplain Abdulmalik Negedu and Geshe Lobsang Dhargey and Jampa Gyaltse of the Do Ngak Kunphen Ling Tibetan Buddhist Center joined Father Jerry for Universal Peace.

As a result of Turkey Drive donations organized by Student Government, students and members of the Offices of Student Life, Volunteer Programs and Service Learning distributed over 800 Thanksgiving turkeys and all the trimmings to those in need at the nearby Food Pantry at St. Charles, Parish in Bridgeport.
Christmas Tree Lighting

On Monday, December 3rd, Sacred Heart's Annual Christmas Tree Lighting sponsored by Student Activities was held in the Chapel Lobby. Before the tree was lit, there were refreshments and a Christian band playing at the altar of the chapel. The chapel was filled with insightful music, classic Christmas carols, and prayers to begin the lighting of the tree. The choir and the crowd of students and faculty present began the ceremony with Christmas carols, including Deck the Halls, Frosty the Snowman, Oh Christmas Tree, Silent Night and one of Father Jerry’s personal favorites, Joy to the World. Setting the scene for the lighting of the tree, Father Jerry turned out all of the lights and the youngest student in the crowd was chosen to turn the tree lights on. The heartwarming spark that only Christmas can bring was lit inside all who joined in on the ceremony.
The Sacred Heart Student Leaders were invited to a Christmas Party at President Petillo's home, where they shared a holiday dinner and sang carols together. The students from the Theatre Arts Program, Residential and Student Life gathered together to take part in a memorable night full of Christmas cheer, as they were acknowledged for their impressive leadership demonstrated during the fall semester.
On Friday August 31st, the Student Activities Department hosted their First Annual Just SHU It Involvement Fair on 63's Patio Lawn. All of the clubs and organizations at SHU were represented at this fair for freshmen and other students to see all of the variety of opportunities to get involved in student run organizations in the Sacred Heart community. There were club sports to represent some of the 25 sports, academic clubs such as the Math Club, Physical Therapy, and the American Chemical Society, and Student Government and SET, along with Habitat For Humanity, Greek Life, and the media clubs, The Spectrum Newspaper, Pioneer Magazine, Prologue Yearbook, SHUbox, the Pulse, and WHRT Radio Station, and many more!
Walnut Beach Creamery

The all new student-run Walnut Beach Creamery opened its doors to the community and has been a great success. The creamery is run by the Welch College of Business students and is located on the first floor of Roncalli Hall. The unique atmosphere and cool ice cream flavors contribute to the creamery's popularity on campus. Flavors like 'Father Jerry Berry', 'Petillo Vanillo', 'Holy Cannoli', and 'Nutty Professor' provide that special connection with the Sacred Heart campus.
SEE-SAW-A-THON

From 6pm on February 27, 2013 to 6pm on February 28th, 2013, Greek Life at Sacred Heart University held its second annual See-Saw-A-Thon. The purpose of this wonderful event was to help raise money for a new playground for the Six to Six Interdistrict Magnet School of Bridgeport, Connecticut. Members from every sorority and fraternity on campus worked together to occupy multiple seesaws for an entire 24 hours. This event was a great success and Greek Life was able to raise more than $20,000, surpassing last year’s fundraising efforts.
Late Night Breakfast

Every year the students at Sacred Heart University look forward to being served their favorite breakfast foods by the faculty and staff and this year was no exception. This is a great way for the staff to show their appreciation for the students. The staff always looks forward to this event and has fun serving the food. The Late Night Breakfast, organized by students and staff within Residential Life, is also a great way for students to take a break from the hardships of studying for finals. This is a long standing tradition at Sacred Heart that will continue to bring joy to students for many years to come.
Senior Pub Nights

Once a month, Seniors are treated to special nights in Red’s as it is open exclusively to the seniors. The Student Government Senior Class Board puts on these events. According to the season and the holidays, the board decides on a fun theme for the night. Dressing up for the themes adds an exciting twist to each event. From Christmas Sweaters in the winter to St. Patrick's Day and a Hawaiian Luau in the spring, seniors get to experience final unifying class events together before graduation.
Siblings Weekend

From February 15th to the 17th, the siblings of Sacred Heart students enjoyed a weekend full of fun activities and entertainment in the University Auditorium. Throughout the three days, the theme "Welcome to the Jungle" was tied into the activities. To kick off the weekend, the students and siblings took pictures together in front of a Green Screen to make their own Safari Postcards. They watched Madagascar and ate endless amounts of popcorn and snocones. On Saturday, everyone joined in on making their Stuff-A-Bear's and went to watch the double-header Basketball games. After, they ate a delicious dinner with Jungle items on the menu. They all had a lot of fun when the entertainer arrived with alligators, snakes and tarantulas. Siblings Weekend ended with a tasty breakfast and a special mass at the Chapel.
Relay For Life

The fifth annual Relay for Life fundraiser was held at the William H. Pitt Center on Friday, April 26th. The theme this year was "Relay Rewind", which featured many premises based on the decades of the past. Activities included Zumba classes, a treasure hunt and a costume contest. There was a variety of music including DJs as well as student performers. This year's event raised more than $35,000 with 34 teams and more than 350 participants. Relay for Life is a cause that is very important to the students at Sacred Heart and will continue to be a great part of the philanthropic efforts of the University community.
On March 14th, the Sacred Heart Theater Arts Program performed, long-time off-Broadway show, "Nunsense." The nine nuns in the performance, "the Little Sisters of Hoboken," were directed by Leo Carusone. Carusone was the original musical director for the show in the 1985 when it first premiered. Sister Mary Regina was played by Theresa Bertolino and and Sister Mary Hubert was played by Stephanie Taglianetti. The Theater Arts Program brought the 25th Annual Putnam County Spelling Bee to Sacred Heart on the weekend of April 18th and it was a great hit with the SHU community. Many showed up to watch this comedy of a spelling bee. The acting was superb and highly entertaining! "The Awesome 80's Prom" was an interactive play, where cast members treated the audience as their fellow classmates and encouraged audience involvement. The show was held in the University Commons Nov. 16-18 and included a pre-show to inviting the audience to the dance floor. The unique style of show featured hits from the era's famous singers, including Michael Jackson. A "Madonna" cast member performed the song "Like a Prayer," wearing Madonna's iconic 80's style tulle skirt over fishnet stockings, multiple beads around her neck with a headband holding back her bleached blonde hair.
Concerts

This year's concert series kicked off with a bang as Timeflies took over the stage in September. They performed their unique sounds of remixes and raps. A highlight of the concert was when Shapiro took a list of the best things he thought about Sacred Heart and made a freestyle rap about it on the spot. The freestyle featured The Merritt Canteen, Roncalli Hall and some of the successful sports teams on campus. In November, Sacred Heart added some up and coming country music into the mix of concerts as Gloriana performed in the Edgerton Theatre. One of their first songs, "Carolina Rose" was performed acoustic, bringing their fans back to how they really started out. The brothers, Tom and Mike Gossin, started the band after they moved to Nashville with only a guitar and met lead singer, Rachel Reinert. To finish off the concert series, Flo Rida paid a visit to the Sacred Heart campus in March. The Florida born artist performed singles such as "Low," "Right Round," "Club Can't Handle Me," and his most recent hits, "Good Feeling" and "Wild Ones". Flo Rida was a great concert pick!
The annual competition for Mr. SHU is always a highly anticipated event. This year was no different as Geoffery Connors, Ryan Cotrupi, Vinny Ebenau, Dave Haverly, Chris Lizio, Chuck Marcelin and Javier Vidal competed in front of the student audience. They were chosen by the Student Government Junior Class Board to show off their unique talents and skills. As tradition, reigning Mr. SHU, Eddie Kennedy, passed the crown onto the winner of this year's competition, sophomore Ryan Cotrupi.
Campus Life Leadership Awards

Student Life presents the Campus Life Leadership Awards! Wrapping up another successful year, this award ceremony recognizes students and faculty/staff members who went above and beyond throughout the 2012-2013 school year. Leadership spoof videos created by Student Life, The Factory, Public Safety and Residential Life kicked off the ceremony. After the laughter in the audience died down, the Theatre Arts Program performed a musical medley including numbers from "Nunsense" and "Spelling Bee." From athletes and work studies, to Greek Life and Club/Organization members, awards were proudly given out and excitedly received. As the ceremony came to an end, the most prestigious awards were presented to those deserving and chosen by the CLLA Committee, as well as the Student Government Executive Board. These awards were the four Pioneer Awards, the Doug Bohn Unsung Hero Award and the John Croffy Outstanding Leader Award, as well as the Final Four Awards: Dr. Marian Calabrese Outstanding Faculty, Outstanding Administrator, Outstanding Staff and Outstanding Graduate Assistant.

They were knocked out in the semifinal round by Saint Francis U. For the first time in the history of the Women's Basketball program, the Pioneers participated in the post season WNIT. The Pioneer Cheerleaders had a successful year as they cheered for our Football and Basketball Teams from the fall and into the spring. Over the summer, they began their hard work before classes started to get in shape and be ready for the first football game of the season. The team bonded together as they perfected their routines and cheers. On Sunday, September 23rd, 2102, the team attended the Liver Life Walk Hartford at UCONN's Rentschler Field. As they did in past years, the cheerleaders motivated the groups in the walk by cheering on the sidelines. This year proved to be a special one for the team as they met a girl named, "Dinamic Diane," who was suffering from a rare type of liver disease. The team asked her to dance with them and she and the team made a true dynamic duo. The Cheerleaders also participated in the 5K walk, “Making Stride against Breast Cancer” in late October. They had an impressive fall season which carried over into the winter with the Basketball Team. Then in April, they competed in Daytona Beach for NCA Nationals.
